

CIRCULAR FOUNTAIN PROPOSAL
JULY 3RD, 2007

- 1 BATHROOM STRUCTURE**
Would be updated including
- A new roof
 - ornamental iron work to replace existing window guards
 - updated bathrooms and plumbing
 - updated utility closet
 - updated meeting space for small gatherings or group activities.
 - possible use for concessions for neighborhood events

- 2 OLD HORSESHOE COURTS**
Would be converted into a picnic area with a wading pool feature
- Concrete picnic benches
 - water feature similar to Tower Grove, where kids can wade or play in the fountains.

- 3 OLD STEPS AND WALLS**
Removal of the existing walls and steps leading down from the bathroom structure.
- Install amphitheater type wide steps leading down to refurbished circular fountain.
 - Ramps on either side for bikers or handicap access.

- 4 CIRCULAR FOUNTAIN**
- Landscape around inside track of walkway.
 - Install park benches around fountain.
 - Increase lighting
